An important source of financing for entrepreneurs is the Small Business Administration (SBA) guaranteed loan program. The SBA provides short- and long-term guaranteed loans to eligible, credit-worthy start-ups and existing small businesses that cannot obtain financing on reasonable terms through normal lending channels. SBA provides a number of loan programs for most small business needs.

During this brief, you'll learn the steps you can take to help get the financing your small business needs.

- We'll explain the importance of a strong business plan
- How our resource partners -- SCORE and the Nebraska Business Development Center -- can help you
- Find out why lenders use SBA guaranteed loans in their financing projects.

And, take advantage of the chance to get answers to your small business financing questions.

Park in the two-hour visitor/metered parking northwest of the Culture Center.
